**Subject: Petition to accept my answer to the Communication received from Mr. Marceau Milord between the six months period**  
**US Application # 09/857,099**  
**Number of pages: 1 + 1**  
**Care Of:**

Dear Sir,

By this letter I formally apply the following reply to be accepted under the six months period.

Unfortunately, the communication of 05/12/2005 from the Primary Examiner Mr. Milord was lost during the moving of my Office past July. We forgot this communication and the shortened statutory period of 3 months. Past week, this communication appeared with other papers. We apologize for any inconvenience that this delay may have created to the USPTO.

I have been reading  $\phi$ 1.17 and it seems that I have to pay \$1.005,00 as an extension fee pursuant to  $\phi$ 1.136(a). I am not sure if this fee must be paid or not, but I prefer to send a form n° PTO-2038 with the full data of my credit card [redacted] (2013) just in case the fee has to be paid, in order not to add more delays. Otherwise, it would be greatly appreciated if the form is canceled.

Fee Code	37 CFR	Description	Small Entity Fee
	1.17(a) (5)	Extension fee pursuant to $\phi$ 1.136(a) for small entities:	US\$ 1.005,00

Best regards,
